SUMMARY

I am a dedicated Computer Science student with a strong academic performance, currently pursuing my Bachelor's degree. My passion lies in developing intuitive applications and solving complex problems. With experience in full-stack development, I have successfully created several projects that demonstrate my ability to integrate modern technologies and improve user experiences.

EDUCATION

Bachelor of Technology in Computer Science

IIMT University

08/2022 - 06/2026 Meerut, Uttar Pradesh

High School

G.T.B.E Academy

2019 Shahjahanpur, Uttar Pradesh

Sr. Secondary School

G.T.B.E Academy

2021 Shahjahanpur, Uttar Pradesh

PROJECTS

BookMyBus

<https://github.com/whomimohshukla/Book-My-Bus>

Online Bus Ticket Booking System

- Built a responsive full-stack web application for seamless online bus ticket booking
- Developed secure user authentication and session management using JWT
- Integrated real-time seat selection and online payment gateway for smooth user experience
- Created an admin dashboard for managing buses, routes, bookings, and users

SkillBridge

<https://github.com/whomimohshukla/-Freelance-Marketplace--Project>

Freelance Marketplace

- Developed a full-stack freelance marketplace with features like project posting, bidding, and secure messaging
- Integrated real-time chat and proposal submission modules with socket-based messaging
- Implemented secure escrow-based payment system for safe transactions
- Enabled robust project search and filtering using dynamic query parameters
- Designed a clean, responsive UI to enhance user experience across devices

Chatrr

<https://github.com/whomimohshukla/Chatr->

Connect with Strangers Worldwide

- Built a modern platform for video and text communication with global strangers
- Integrated WebRTC for real-time high-quality video and audio streaming
- Added features like mute/unmute, dark mode, and dynamic room pairing
- Developed a responsive interface for smooth usage across mobile and desktop

SKILLS

React.js	C++	C	Tailwind CSS
HTML5	CSS3	JavaScript	
TypeScript	Node.js	Express.js	
MongoDB	PostgreSQL	RESTful APIs	
WebSockets	JWT Authentication	Git	
GitHub	Postman	Redis	Docker
Nginx	CI/CD	GitHub Actions	
Vercel	Netlify	Railway	AWS
Socket.io	Bull MQ		

KEY ACHIEVEMENTS

-  **Achievements in Problem Solving**
Solved 200+ problems on Leetcode; proficient in problem solving and DSA
-  **NPTEL-IOT**
Successfully completed NPTEL certification in Internet of Things (IoT)
